We had the services of a Dental Hygienist from the Bureau of Dental Health who gave instruction and showed films on the care of the teeth. This program was for grades one through six.

Films on Cancer prevention were shown to the Senior girls and their mothers.

The Christmas program was generously helped this year. Through Rev. Harry Flad, the Youth Fellowship of the Pemi-Valley Cooperative Parish, collected a large amount of groceries for the food baskets. The students of Junior and Senior High School contributed much to this program as they have done for several years.

The American Legion took full charge of the Children's Christmas party which was much appreciated. As is their yearly custom, the Littleton Lodge of Elks donated Christmas food baskets. All the organizations did their share toward the project.

Our agency is pleased to report that our sick room supplies, which are available to the people of our area, were well in use.

For all cooperation we express our thanks.

Respectfully submitted,
NORA E. PARENT, R. N.

REPORT OF FOREST FIRE WARDEN AND DISTRICT CHIEF

New Hampshire is the fastest growing state in the Northeast in terms of population increase, It is also an industrialized state and this growth is likely to continue, all of which means more families and homes. Our growing summer population is scattered throughout the state with a phenomenal increase in vacation homes.

Many new homes and practically all cottages are being located in woodlands and abandoned fields and forests crowd into the back yards of our village streets. In a state where the forests cover 86% of the land surface, it is necessary that everyone be aware all through the season, which comes with the disappearance of the snow until the snow comes again, of the need to be careful with outdoor fires and fire sources.

The following action will help:

- 1. To teach our children the danger of lighted matches.
- 2. To never discard lighted smoking material from a car or while walking through fields or woods.
- 3. To safely dispose of rubbish preferably at the town dump. If you must burn
 - a. You need a written permit from the town fire warden for *all* debris burning except when the ground is covered with snow. Cooking fires in outdoor fireplaces or in charcoal brasiers in your own back yard is permitted on notification of the warden.
 - b. The warden is forbidden by regulation to allow burning of household rubbish on grass by householders between 9:00 A. M. and 5:00 P. M.

- c. Have equipment on hand to control the fire before you light the match.
- 4. Promptly report any fire out of control to your fire warden or fire department.

Help to keep our town out of the fire occurrence column and save our tax dollars for useful purposes.
